

MARITIMEPRENEUR

Building the Nations, Sustaining Our Oceans

PT Mahakarya Maritim Indonesia

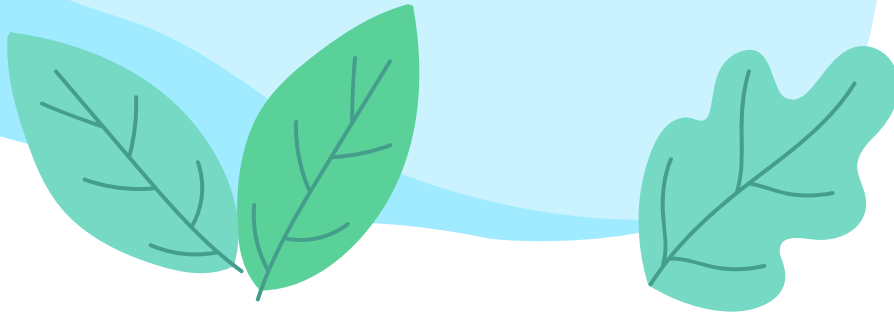

an official partner of
Maritim Muda Nusantara

OUR COMPANY

Maritimepreneur was established as a solution to develop natural resources and ocean industries through digital technology, events, consulting and training for building the nations and sustaining our oceans.

Short Message from Our Board Directors

• • •

We make digital transformation happen

We believe that integration of digital technology is a must for all sectors to keep us competitive in the world

We help young people build a better future

We support young people as a national asset to have a better capacity through empowerment and development

We save ocean for our nation

We do all effort to preserve our ocean as the natural resources and common heritage for a quality next generation

Dr. Catur Prasetyo, SST.Par, M.Si.
